

Litter Announcement ~ Puppies Due 8/24/2017
Health, Longevity, Intelligence, Tractable, Personality, & Loving

Topbrass BravHart Let Freedom Ring, JH, WC (Belle)
DOB: 5/5/2015

Belle is a wonderful field bred girl from excellent lines. Her father, Beau, was an outstanding Field Champion and Sire. Beau's owner called him the "most gentlemanly" boy she has owned. Belle just turned 2 years old. She is very sweet, intelligent, loves the outdoors, hunting and swimming. Belle is quite playful and definitely a cuddler in the house.

She is at the beginning end of her Field work. Belle has her Junior Hunter (4 straight passes) and Working Certificate (on 1st attempt) in field work. She has begun handling, multiple marks, steadiness, and honoring other working dogs. Belle is a very quick learner and wants to do it right for you. She has also been trained as a therapy dog, but has not yet completed her certification.

Belle is medium gold in color and compact weighing about 58 - 60 pounds. Good easy to care for coat with lighter feathers.

Maverick's West Coast Offense MH, WCX, QAA (West)
DOB: 12/12/2004

West is currently a healthy, active 12 3/4 year old male. He comes from a long-lived line, and his mom is doing well at 15+ years. Structurally, he is very sound. West still loves to run and play outside, and can jump into the back of the truck. He has a wonderful personality.... good with people & other dogs (including intact males)....loves the outdoors, water, swimming, but can just be a love bug hanging out in the house.

West is an accomplished Field Dog having completed his Master Hunter title and Working Certificate Excellent. Additionally, he is Qualified All Age in Field Trials, achieving a Win in the very competitive West Coast / Mountain circuit. These titles demonstrate his intelligence, courage, trainability, and natural retriever talents.

West is darker in color (similar to mom Beep), has good structure (excellent short back and shoulder layback), compact size male and weighs about 65- 68 pounds. He has the correct coat that is easy to maintain and dries after swimming.
